Helpful Information for Competitors & Attendees

Welcome to Celebration Talent Competition! Here is some information that may be useful in preparing for competition weekend:

General Information

Theater doors will open one hour before the start of competition each day. Doors won't be open until that time ~ there is no need for you to stand out in the elements!

Registration

Your Studio Directors have completed registration for the dancers – students don't need to check in at the registration table individually.

Dressing Areas

Dressing areas/rooms have been assigned based on the number of performers from each studio. Rooms are clearly marked with each studio name and code ~ signs should not be tampered with or altered. Our staff and theater personnel will help direct dancers to their designated rooms and areas. There will be one male dressing room to accommodate performers from all studios.

Please respect other studios and their belongings in the dressing area. Please keep your own belongings as organized and as out of the way as possible to accommodate everyone. Many dancers have quick changes between numbers and need to be able to maneuver quickly. If you are dressed and ready to perform please step out of the dressing room to make room for others.

Programs/Merchandise

Programs are available for sale at the merchandise booth. Programs list the names of the participating dancers in each routine as well as the general schedule for the weekend. They also make great keepsakes! Check out our apparel line while at the booth – tees, pants, tanks and more!

Photogenic Competition

We host a photogenic competition at each event. Submit your child's photos at the merchandise booth. Recommended size is 5x7 or 8x10 (black and white or color). Entry fee is \$25 per photo.

Backstage & Props

The backstage area is open to performers and studio owners/teachers only. Dancers are asked to check in 5 numbers before their scheduled performance with our backstage manager. Once you have checked in please remain backstage and listen carefully for the emcee to call your number.

Please coordinate with our backstage manager to load props in and out of the backstage area. Please assemble props quietly and out of the way of performers. Props should be removed immediately after use as storage space is not available backstage.

Photography/Videography

Please note that no cameras (video or still) are allowed at Celebration Talent during performances. You are welcome to shoot photos during our awards ceremonies. For photography information for your event, please visit <http://celebrationtalent.com/regional/greensburg/photovideo.php>

Trophies

A limited amount of trophies and plaques are available for purchase at the merchandise booth. You may purchase your trophy at any time and receive the appropriate placement plate after the awards ceremony. You may purchase trophies after the event by downloading a trophy order form from our website <http://celebrationtalent.com/awards/>

Food & Drinks

Please use trash bins provided in the theater and pick up after yourself. Please don't leave food/drink containers or other items in the theater or dressing rooms. Concessions will be available for purchase at the event.

If you have any other questions please don't hesitate to ask one of our uniformed staff members ~ we're here to help. Good luck to the dancers and thanks for being a part of Celebration Talent Competition!
