TOUR

## General Information

Theater doors will open one hour before the start of competition each day. Doors won't be open until that time ~ please don't stand out in the elements!

## Registration

Your Studio Directors have completed registration for the dancers – students aren't required to check in at the registration table individually.

## Dressing Areas

Dressing areas/rooms have been assigned based on the number of performers from each studio. Rooms are clearly marked with each studio name and code ~ signs should not be tampered with or altered. Our staff and theater personnel will help direct dancers to their designated rooms and areas. There will be one male dressing room to accommodate performers from all studios.

Please respect other studios and their belongings in the dressing area. Please keep your own belongings as organized and as out of the way as possible to accommodate everyone. Many dancers have quick changes between numbers and need to be able to maneuver quickly. If you are dressed and ready to perform, please step out of the dressing room to make room for others.

## Programs/Merchandise

Printed programs are available only if pre-ordered by the deadline. Digital programs are available for sale as well and are available the week of the event. Programs list the names of the participating dancers in each routine as well as the general schedule for the weekend. Visit the regional page of your event on our website for more information. Check out our apparel line at the merchandise booth – tees, pants, tanks and more!

## Backstage & Props

The backstage area is open to performers and studio owners/teachers only. Dancers are asked to check in 5 numbers before their scheduled performance with our backstage manager. Once you have checked in, please remain backstage and listen carefully for the emcee to call your number.

Please coordinate with our backstage manager to load props in and out of the backstage area. Props must be hand carried or rolled onto the stage – dragging of props is prohibited. Please assemble props quietly and out of the way of performers. Props should be removed immediately after use as storage space is not available backstage.

## Photography/Videography

Please note that no cameras (video or still) are allowed at Celebration Talent during performances. You are welcome to shoot photos during our awards ceremonies. For photo and video information for your event, please visit your city's regional page.

## Awards

We have numerous award ceremonies throughout the competition. Each awards ceremony will include both adjudicated/placement awards as well as overall awards. Our final awards ceremony in each age division also includes multiple special awards chosen by the judges from all the routines performed. All students are invited on stage for our awards ceremonies. Participants will receive a placement pin for each of their performances.

## Awards Purchase

A limited number of awards are available for purchase at the merchandise booth. You may purchase awards after the event by visiting our online store at [www.celebrationtalent.com/shop](http://www.celebrationtalent.com/shop)

## Venue

Celebration uses many professional and historic venues. Please treat the theater with respect by using trash bins provided and pick up after yourself. Please do not leave food/drink containers or other items in the theater or dressing rooms. Concessions may be available for purchase at the event. Outside food may only be brought in if allowed by venue.

If you have any other questions, please don't hesitate to ask one of our uniformed staff members ~ we're here to help. Good luck to the dancers and thanks for being a part of Celebration Talent Competition!

**PLEASE READ THE INFORMATION ABOVE CAREFULLY, THESE ARE THE MOST COMMON QUESTIONS WE RECEIVE. WE WILL SEE YOU SOON!**
